**The South Carolina Troopers Association Foundation (SCTAF) is proud to announce the 1<sup>st</sup> annual Clay Shoot.**

Proceeds from this event will support the SC Troopers Association Foundation's mission; to provide line-of-duty death benefits to the spouses and/or family members of Troopers killed in the line-of-duty. The South Carolina Troopers Association Foundation is also dedicated to supporting local communities by partnering with corporate sponsors and civic organizations to promote programs, projects, and donations that assist citizens in need and fosters an environment of trust and cooperation among the public, private organizations, and law enforcement. These partnerships have enabled the South Carolina Troopers Association Foundation to provide life changing community outreach efforts and experiences to the residents of our state; by bridging the gap between law enforcement and our communities.
